snack!

## October Curriculum

October Science Project Based Learning:

- Dinosaurs, Earthquakes, Volcanoes, Earth Science
- Geography: Eastern United States
- Oct. Field trip to Navajo Mines,
- Stem projects: Earthquake models,

- I will be visiting my parents for their 60<sup>th</sup> anniversary, in Pittsburgh, Pennsylvania. There will be a substitute teacher in my room, Oct. 4-9.
- Gretchen Cain will be an educational assistant in our classroom for a couple hours a day. She will be working under my direction.
- I will send home a signup sheet for Parent Teacher conferences.
- Fall Festival: This is a time for the PHA school and church to come together and enjoy the day with our children. Each classroom will be asking for parents to volunteer for an hour, or half an hour in each sibling's room.
