Reading Logs

I will be sending out times and dates of the Parent/Teacher Conferences. I am also available before school and after school if none of the times are convenient for you.

October is another busy month for us. The students are looking forward to the Museum trip.

We hope everyone joins us for our Fall Festival. It should be a lot of fun.

This will be my first one to be involved in. I am so excited about being part of the festival.

The reading contest has been incredible. These students are reading more than I have had any class read. Remember, if you lose the log, just write it down on a piece of paper and sign it.

I hope to see you at one of the October events.
